

# UNITE • PRAY • PROTECT LIFE

An International inter-denominational campaign focused on saving lives through prayer, vigil, and outreach.

SEPTEMBER 22–OCTOBER 31

## JOIN US TO PRAY FOR BLACK LIFE, BORN & UNBORN

### WHY WE NEED TO PRAY

Tragically, in 2020, 65% of all abortions happened in the Black community. Women and men need our support in order to choose life for themselves and their unborn children.

We can all help bring this tragedy to an end! Saving and protecting lives in our community begin with prayer. *“And whatever you ask in prayer, believing, you will receive it all.” - Matthew 21:22*

### BE INVOLVED!

Sign up to pray with faith partners in your home, neighborhood, group, or church on one of the 40 Days for Life. You can sign up for more than one day, but we need at least one group each day. Learn more at the website below.
